Mrs. Robertson,

Dear Friend:-

I received your letter recently.
But I have been too busy up to now.
Today finding some time, I am
writing you a letter; hearing that
all of you are well
made me happy.
Also hearing that all my friends
from school are doing well
made me glad.
As for me, I am doing well
and attending
my studies. The other
students here are
doing well also.
At this time, there
is not much sickness
in this area.

Right now, I am the only student
attending studies here.

All Indian students have returned
to their homes except for me;
I would very much like to see some
Indians. I like to talk in my Indian
language. Though I am all
alone here, I am
doing very well.

We are all going have examination the

both written and oral examination.

Now, I am try to get ready to examina-
tion.

However, it is very hot here
and doing studies
is difficult for me. The students
here are earnestly attending to
their studies.

And I would very much like
to know when you all
are having your examination.

the time to see
yours.
Mrs. Robertson, at this time,
if you have any Creek Hymn Books
on hand, I would like you to send me one.
The white people want me to sing for them,
but I do not have a song book.
Please send me news of all Indian
activities going
on there.
There is much I want to
write you. But not having much
time, I am writing this short
letter.
When you receive this letter,
please reply as quickly as you can.
For now, this is all as I close here.
From your truly,
W. A. Palmer
