My friend and beloved sister
Miss A. E. W. Robertson,
The Corinthian letter that you sent me I received a
while back. It has added a little to my knowledge and
I am using it in my work. At this time
I have been given the charge of preaching
to the nations of the Kiowa,
Comanche, and the Wichita.
I have just recently arrived and am living in
the town of the Wichitas. They are very
accomodating. Many of the children want to
learn my language and visit me
frequently. I am teaching them
and they are very capable of learning it.
Trying to do this without books
is not easy for us.
We have a great need to know
if you have a lot of First
Readers. Wanting to buy,
we want to know the price.
In regard to this matter, let us know
quickly and I will buy them
from you.

I am well.
Your friend, Wesley Smith
